

Blinds Plus is a family owned and operated business that's grown into one of the largest, independent window covering retailers in Southwest Florida! We continue to give our customers the same friendly, personal service while offering a wide range of styles, choices and products to match your family's lifestyle.

We've Got Experience

Our window coverings and treatments have literally covered thousands of homes and businesses in the area. With 25 years experience in window covering, we can assist you in making choices that will suit your home, your budget and your demand for quality work.
